## Torquay Holiday 10th August -14th August 2008

We need a rough idea of numbers visiting each site when we have a choice of visits. Please indicate your choices by circling one choice in each session. For example if you want to be dropped near Totnes Station on Wednesday morning circle 'Totnes'. Please indicate if your choices are definite or provisional. If you want to "do your own thing" at any time, cross out that session.

On Monday we will pick people up after lunch in Torquay and Brixham to go to Coleton Fishacre. We will probably be able to pick up afternoon visitors to Brixham late afternoon but we may ask you to come back by bus. The bus from Brixham takes you to Torquay Harbour where you change onto the Babbacombe bus which passes the hotel. (Full details and sketch maps with stops will be provided).
