Lockhurst Hatch farm comprises 30 acres of pasture and woodland set in its own valley in the Surrey Hills, an area of outstanding natural beauty. We keep a few Portland sheep, chickens and ponies on the farm.

We offer Bed & Breakfast accommodation in our 16th century farmhouse as well as self catering in our timber lodge in the woods.

Lockhurst Hatch Farm is near Shere in Surrey. There is a direct bridleway and footpath access to the forest and heath, so it is ideally placed for activities such as walking and cycling, yet is still only 8 miles from Guildford and 35 miles from London. The nearest pub is approximately 1.5 miles away. The nearest shops and bus services are in Shere village, approximately 3 miles distant.
