

Emailing Information

To email webmaster or a member of the committee, please send your enquiry (or requested information for example in the case of a For Sale item) to the appropriate email address. If you use an email program such as Outlook Express, clicking on the link should open this program automatically.

If you use a web based email facility (e.g. Gmail, Hotmail), copy and paste the email address into the *To:* line when you compose or create an email. Please note that some of the email addresses have an 'x' in the middle such as 'enquiryx@gobuownersclub.crg.uk' – this is deliberate to stop spam.

Note that *some* of email addresses are channelled through the webmaster for security reasons. By using the appropriate email address, I know to whom I should forward the email to.
