

Hi Everyone.

We are new members and owners. Purchased our Gobur last August.

We are currently enjoying a week at Kings Forest Caravan site (Wideham Farm) at West Stow, Suffolk. Brilliant adult only site with very clean facilities. EHUs and plenty of space.

We booked on several rallies this year to meet fellow owners but because of Covid 19 all have been cancelled. Still hoping to go to the rally at Cottage of Good Intent and the AGM.

Couldn't wait until September / October so booked this site, which we can thoroughly recommend, if you want a quiet campsite right next to the Forest it's ideal. Looking forward to meeting up with other members later this year.
