Dear Friends,

Just to let the club know that our Gobur has now gone back to Melton Constable and has ben put up for sale.

Over the 2019 season we found that it was becoming more difficult for us to operate the caravan. This was as well as Annette's health not getting any better.

We would like to say that we have always enjoyed our times with the club and have made many friends. Thank you all.

Take Care

Regards,

Dickie and Annette.
