

## JAMES and EMMA HARPER

This photograph appeared in the Lowestoft Journal, 23rd October 1926, on page 18. The paper said:

**“Mr. and Mrs. James Harper, of Beccles, formerly of Worlingham, who celebrated their golden wedding last week. They were married at Ellough Church in 1876, and brought up a family of twelve. Mr. Harper was engaged in farm work until his retirement a few years ago.”**

James was born on 3rd March 1844 at Ellough, so he was 82 when the photograph was taken. He and Emma were married on the 5th October 1876 in All Saints church, Ellough.

Emma was James' second wife. He had married Sarah Woolnough on 27th October 1874 at Ellough, but she seems to have died in 1876.
