## The National Transport Conference 2007

Each year for 30 years the National Transport Conference was held in Nottingham and often described as the 'Nottingham Transport Conference'. In 2007 it is moving to London and will take place on 16th & 17th October.

The Conference has established a strong reputation as an opportunity for serious discussion of the issues facing all those responsible for the delivery of transport policies, systems and services. It provides an invaluable forum for political leaders and practitioners from local and regional government, transport providers and specialist transport consultants, as well as academics.

### Who should attend?

- Senior and Middle Managers and Directors of bus and rail companies
- Transportation Engineers and Planners
- Transport Coordinators
- Planning and Transport Consultants and Academics
- Councillors and Local Government Officers with Transport Policy responsibilities
- Managers dealing with environmental issues
- Town Planners and Developers and infrastructure providers
- Representatives of Transport Users Organisations

The Conference is a joint venture of the main Transport and Planning Institutions. It offers a unique opportunity to bring together all who plan and run passenger transport services with those responsible for resources and facilities.

### Bursaries

The Committee have made available a limited number of Bursaries to delegates age 28 or under and delegates from Registered Charities wishing to attend the whole Conference. The value of each Bursary is £200 to be deducted from the full Conference Fee.

To apply for a bursary contact Emily Smith at the address overleaf.

Bursaries will be awarded on a first come basis.

### The Exhibition

The Exhibition alongside the Conference draws together a range of manufacturers, consultants and organisations engaged in public transport, freight distribution, travel and business activity. Delegates and Exhibitors take lunch and refreshments together in the Exhibition itself - an ideal atmosphere for meeting old acquaintances and clients and making new contacts. Exhibitors also invite customers to come specially to the exhibition.

For further details & stand availability please contact Emily Smith at CICC tel: 01223 881622 fax: 020 8788 2090 e-mail: emilysmith@cicc-conferences.org.uk
